SUPPLEMENTAL RESPONSE

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

Supplemental to the response filed October 25, 2005, favorable reconsideration of this application, in view of the present response, is respectfully requested.

Remarks/Arguments begin on page 2 of this paper.

REMARKS/ARGUMENTS

Favorable reconsideration of this application is respectfully requested.

In the above-identified application Examiner Rosasco contacted applicants' representative on November 3, 2005, and indicated that the present application could be placed in condition for allowance if a Terminal Disclaimer was filed in the present application over co-pending U.S. application serial no. 10/603,821.

In response to that request submitted herewith is a Terminal Disclaimer over U.S. application serial no. 10/603,821.

In view of the Amendment filed October 25, 2005, and the present Terminal Disclaimer, the present application is believed to be in condition for allowance.

Respectfully submitted,
